THE FAMILY BUTCHERS, SAFETY...

...PRIORITYS ALWAYS TOP

- 1** We ensure the quality of our products with over 40,000 tests and over 2.8 million process controls per year.
- 2** We are constantly optimising our risk-based internal control system.
- 3** We are proud of our high-level certifications: unannounced inspections of our plants by external experts take place every other production day.
- 4** We constantly specialise our sites.
